1 *Which Segment(s)/Semester(s) do you want to take?

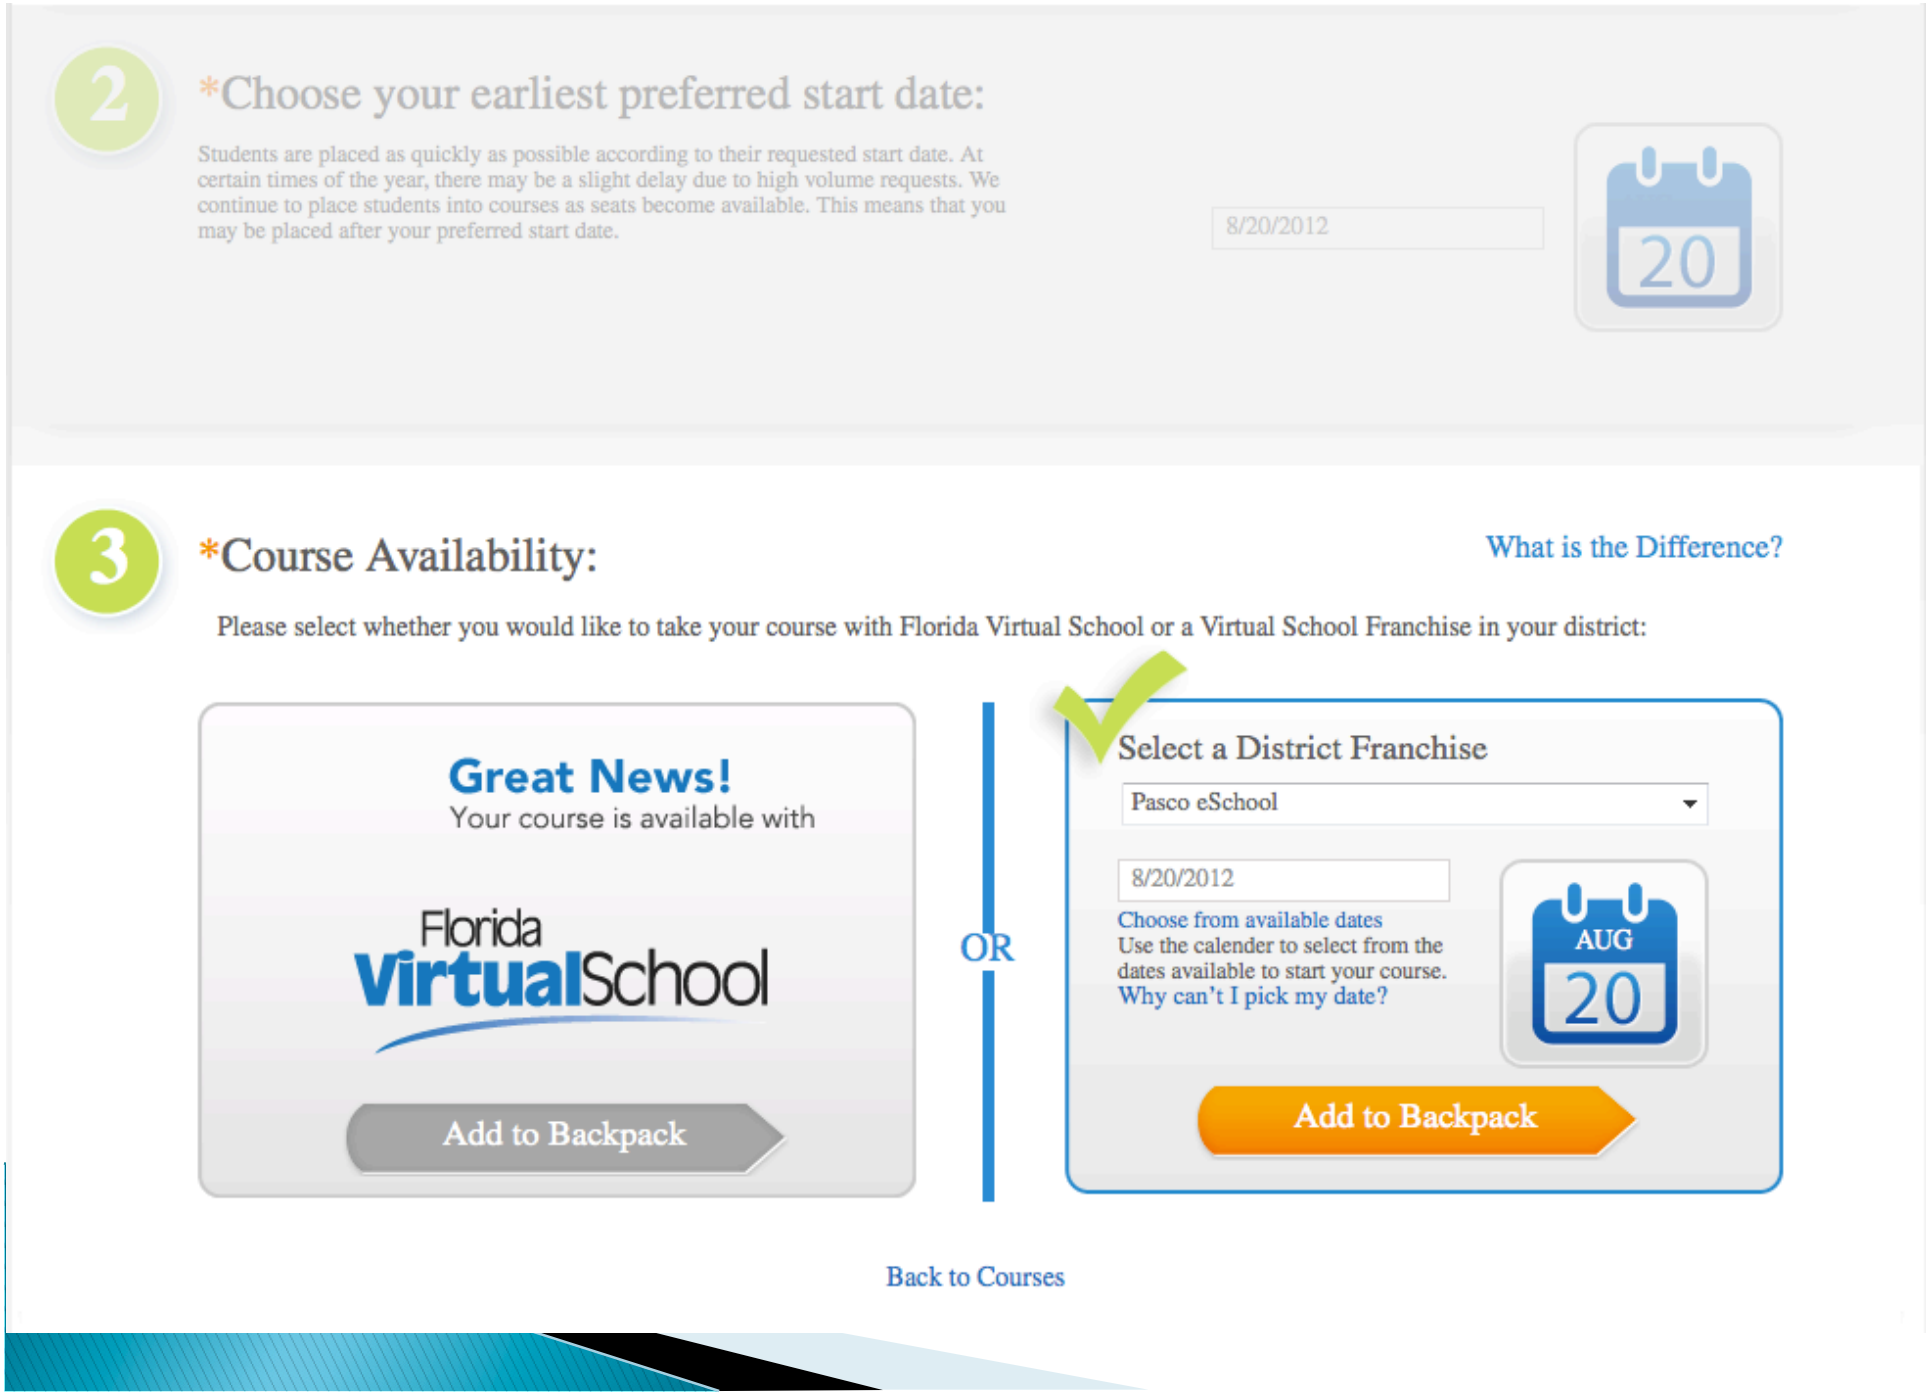
Think of a segment as a traditional semester, or 16-18 weeks. At FLVS, you move at your own pace, so a segment may take you 8 weeks or 24 weeks. Two segments equal a full year of any course. If you would like to take the full year of a course, you may sign up for both segments at once by checking the box beside each segment.

1 ✓

Prerequisite(s): There are no required prerequisites, but strong reading and writing skills are recommended. This course is designed for high school students.

Materials Required: N/A

☐ **I understand this course has prerequisite(s) and I acknowledge that I have met these requirements.**



2
*Choose your earliest preferred start date:
Students are placed as quickly as possible according to their requested start date. At certain times of the year, there may be a slight delay due to high volume requests. We continue to place students into courses as seats become available. This means that you may be placed after your preferred start date.

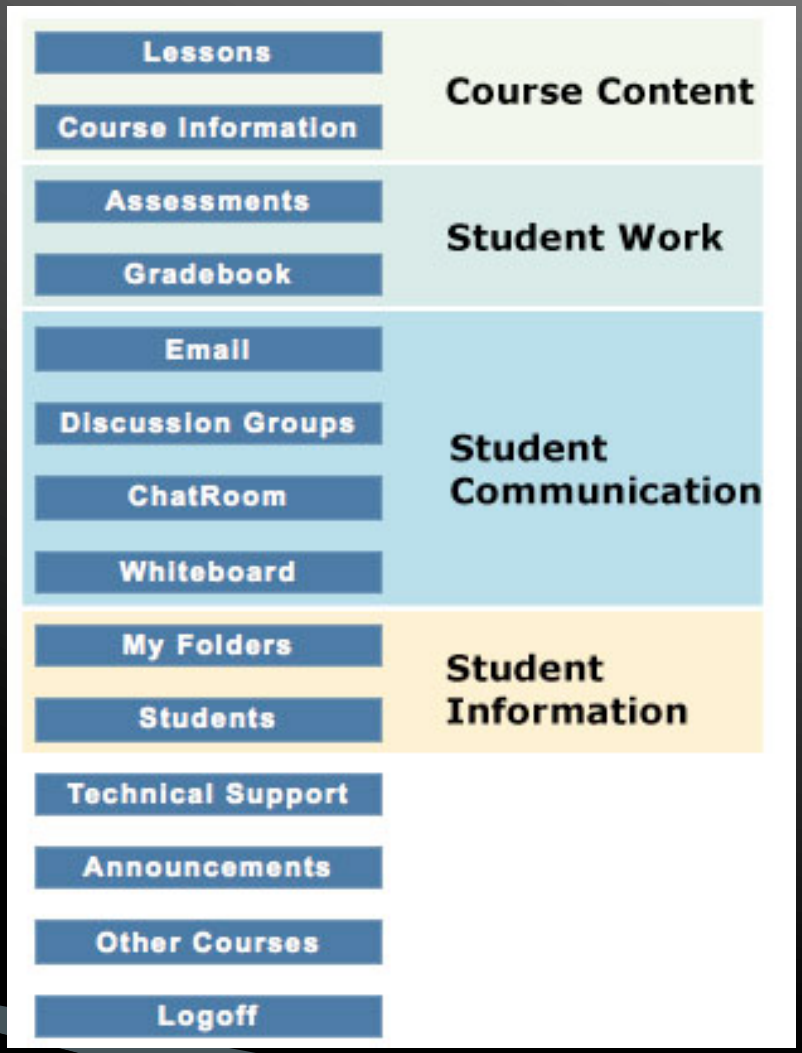
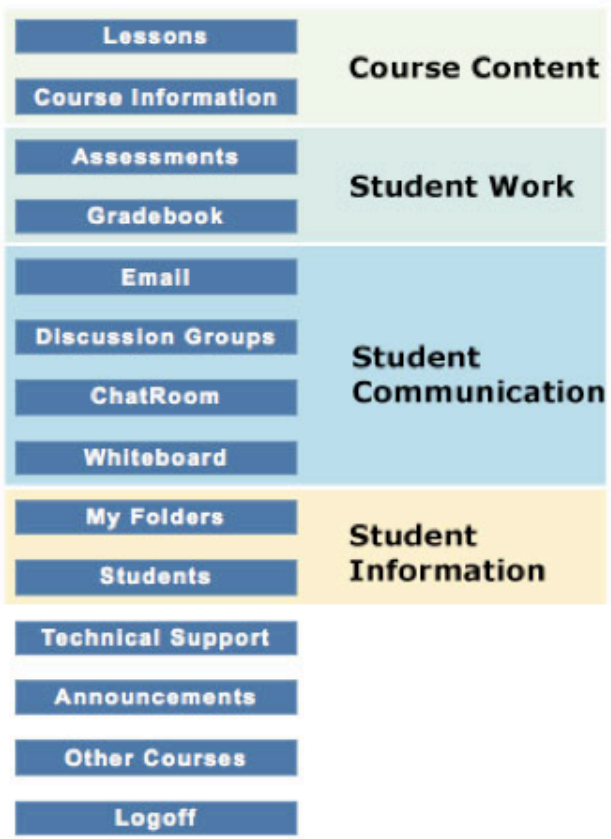
Navigation Tips



Course Content

The Course Content area holds the content lessons of the course (**Lessons**) along with important information the student needs to get started in the course (**Course Information**).



Student Work

From this area, students can easily submit their assessments (**Assessments**) and check their grades (**Gradebook**) in the system.

Student Communication

Email is a built-in feature in Educator. Students are encouraged to contact their instructor on a regular basis through-out their course. To support different learning styles and approaches, threaded **Discussion** is also available. In real time students can communicate with their instructor and each other using the **Chatroom** (if enabled) and/or the **Whiteboard**. There is also an instant messenger available called **'Who's Online?'**. Note that all uses of these tools are for course related business only.

Student Information

Students can save documents in the **My Folders** area.

Students can submit requests for assistance for Educator related problems using the **Technical Support** area. For course content problems, please have your students submit a help ticket to the FLVS Help Desk.

If a student is enrolled in more than one course, they can quickly change courses using the **Other Courses** button. As with any protected site, it is important that **all** students select **Logoff** to exit. This allows the system to track usage and prevents someone else from using their account.
