Login here using your username and password
(Cookies must be enabled in your browser)

Username 000007
Password Login

Remember username
[Forgotten your username or password?](#)

Some courses may allow guest access
[Login as a guest](#)

4. Type in username (Pasco students, this is your 6 digit student ID number)
5. Type in your password (Pasco students, this is your randomly assigned password from the district. It has 5 letters, two numbers, and 1 symbol)
6. Click the Login button

NOTE: This username and password is one you probably use to login to computers at school, to access Read 180, or to login to Core K-12 assessments. If you are not a Pasco student, contact the eSchool office for a special login.

Diversified Career Technology Principles Semester 1
Teacher: Jacqueline Corbin
Teacher: Brian Dean
Teacher: Gerald Blair

This course offers a coherent and rigorous content aligned with challenging academic standards and relevant technical knowledge and skills needed to prepare for further education and careers. Diversified Education; provides technical skill proficiency, and includes competency-based applied learning that contributes to the academic knowledge, higher-order reasoning and problem-solving skills, work attitudes, general employability skills, technical skills, and occupation-specific skills, and knowledge of all aspects of the Diversified Career Technology career cluster.

9. Click on the name of your course (notice the icon with the key in the door indicate you can enroll yourself in this course). In this example, we will enroll in Demo Course. You would choose your course name.

12. You are now enrolled and will not have to enter the enrollment key again when entering the course.

Final Notes

- If you are a Pasco Student and ...
 - You don't know your password or student ID:
Contact your school's Tech Specialist. Ask your Lab Facilitator to help you get in touch with your school's Tech Specialist.
 - You know your password and student ID, but cannot login:
Contact your course instructor with your name and student ID and a description of the problem you are having.
 - You are new to Pasco County and have not yet been assigned a student ID, and you have verified that with your school:
Contact your course instructor to be assigned a special login and password.

- If you are NOT a Pasco Student ...

Contact your course instructor or the Pasco eSchool office for a special login and password.
