- THE BEST SAT PREP EVENT OF THE SEMESTER.
- Program Features: Drills, Practice Problems, Testing Confidence, Tips, Strategies, Games, Fun, Music & Food.
- Mindworks Prep's successful SAT curriculum benefits all levels of students, from those with learning challenges to Ivy League-accepted scholars.
- In a recent survey, 99% of the parents who participated said that they would recommend Mindworks Prep to a friend.
- We find that just the mention of the SAT can strike fear into the hearts of many students. Our SAT Boot Camp is aimed at alleviating some of that stress and giving students the tools to succeed on the test. We will break down all sections of the tests, while teaching students essential test taking strategies.
- The SAT Boot Camp will focus on laying the foundations of key SAT subjects and empowering students with a much-needed feeling of preparedness and confidence. It is designed to give students the skills and strategies to successfully take the SAT and cope with the stress leading up to it. In fact, the curriculum we use is ranked top in the state of Florida and recognized nationwide with score increases on average of 200 points.
